

Greetings Family and Friends,

We certainly trust in the Lord that you and your entire families are enjoying God's best in this year. The start of the new year for us found us nestled away in a Bed & Breakfast in the mountains of North Carolina celebrating our eight wedding anniversary.

We were blessed in January to be able to minister in the Charis Bible College (CBC) of Raleigh.

We had a great time with Tommy & Kleist sharing the word of God with all of the students. Their questions and comments were a confirmation to us of their hunger for God's word.

We then traveled to Toronto Canada where we reunited with our CBC Graduate Friends John and Abi who direct the CBC School in Toronto.

We spent three days ministering in the school and we were honored by being asked to share in a pastor's luncheon which they hosted at the school. It was a blessing for me to share with pastors on the subject of how they were "growing their church". Every church is different and success comes when each pastor implements what God is directly speaking to them as individuals. One man's revelation becomes another man's formula and God is not a formula God. He is a relational God. One pastor responded by saying that God told him to stop all the programs and simply Rest and pray. God honored his rest and the church began to grow. He said, "God just brings the people in."

We find that there is no other name by which you can be saved, but why? We pray that this month's teaching will bless you personally as well as those you are ministering to.

God Bless you,
Your friends,
Mickey & Suzan

“No Other Name”

We were Created in the image of God.

Even though we are the children of God, we can be kept in bondage under the elements of the world which will keep us from realizing our sonship. Jesus gave himself for our sins that he might deliver us from this present evil world, according to the will of the Father. Galatians 1:4

•✠ Remember me, Oh Lord, with the favor that thou bearest unto thy people: O visit me with thy salvation; That I may see the good of thy chosen, that I may rejoice in the gladness of thy nation, that I may glory with thine inheritance. Psalms 104: 4-5

Jesus is the only one that can set anyone free from the bondage of this world because He provides the only way to resolve the sin issue that holds everyone captive to the disqualifying performance of their flesh.

•✠ **Neither is their salvation in any other: for there is none other name under heaven given among men, whereby we must be saved (deliver, protect, preserve, make whole)** Act 4:12

Jesus did not die for our sins so that he could satisfy God's need for sin to be atoned for. He died to remove the sin barrier that exists in our minds. Hebrews 10:1-3 Unless that barrier is removed, it is impossible to see the favor of God which makes it

impossible to accept and walk in the inheritance that is ours by nature of our sonship.

Every other religious system (including a "religious form" of Christianity) is founded in one way or another upon the premises of sin and perfecting the flesh. Leading a sinless life without a savior is impossible. The followers of these systems are kept and manipulated by the guilt and condemnation that comes with the fear of not pleasing God. John 3:36

Has your conscious been purged from the dead works? Can you see the goodness and mercy of God at work in your life? Are you walking in the fulness of your inheritance, or are you being manipulated by a false belief system that has no power to deliver you? There is no other name under heaven given among men by which we must be saved.

Jesus is the only way!
