GOD IS AN AWESOME GOD...

I NEVER CEASE TO BE AMAZED AT THE WORK THAT HE DOES IN MAKING DIVINE CONNECTIONS!

An outing for the children involved in "Happy Hearts." The children were treated to a day of fun, games, and swimming. I asked one little boy what was the thing that he enjoyed the most that day. His reply was "The place." He had never been outside of his neighborhood and he loved the grass.

A year ago when we were in Ecuador staying with Abner Hernandez, we met two men from Peru, Pastor Antonio Rojas and Martin Macpherson. Abner is the God appointed "Ecuadorian travel agent" who knows practically everyone in Ecuador. He not only helps pastors and missionaries, but he also helps people doing medical mission work and those interested in Ecuador for miscellaneous humanitarian reasons. His love for his country keeps him actively involved in promoting things that will improve the lives of those in Ecuador.

Abner had never met Pastor Rojas before and since we were free, he asked if we would like to ride along with him to as he took the men to meet a particular woman that would supply them with information that they were in search of. During the course of the trip we talked about what God was doing in each of our lives and ministry and exchanged e-mail addresses.

At the beginning of this year, Pastor Rojas invited us to come to Peru to share in his church. Upon our arrival the end of March as we visited with him, we found several interesting things out. He has had the opportunity for three years to go to Ecuador, but never felt led to go until last year. The trip last year did not produce what he was in search of. He said, "God had another agenda and I believe that it was meeting you." Every year he promotes a different theme in his church.

THE THEME FOR 2010 IS
"IDENTITY IN CHRIST."
(HMMMMM!)

Pastor Rojas and his wife Romy are pioneers within their denomination! They have been led by God to establish "zone churches." Presently they have seven zones and have established churches in five of the zones. They have grown exponentially and several of the churches have multiple services on Sunday. The foundation of his vision is to "win and restore families to be complete in Christ." Included in his vision is the ministry called "Corazones Felizes."(Happy Hearts) that reaches out to underprivileged children.

He develops his church is by providing discipleship in the Word and leadership training for every member.

We were invited to share selections from the Identity Series in a variety of meetings, settings, and churches. We ministered in a "zone-wide" meeting for men and then in one for youth. We shared in the Sunday morning church service in two different zones, and on Sunday evening in yet a different zone where the

service was centered around a wedding celebration that included the uniting of four different couples.

On Tuesday the pastor told us that he always conducted a meeting with all of his zone leaders and invited us to share an over- view of the series. We were able to spend 3 hours sharing with them. Sharing with leaders is really what we feel God has called us to do and it was a blessing for both ourselves and the leaders involved. They heard some things that they had never heard before. But, I believe that it will spring board them to a deeper revelation concerning their "position in Christ." This will in turn equip them to give of what they have received.

We were invited back this summer to impart two of the lessons (*Are you Sin Conscious or are you God Conscious?*, and *Armed with His Nature*) to the youth in their missionary training program.

God Bless You!
