To Become a Powerful Holy Spirit Led Team
That Ministered To The Homeless and Others.

Greeting Family & Friends,

It seems like the April showers have brought the May flowers that are blooming so beautifully . Of course that has kept Suzan (my wife) busy putting Deer Be Gone on all the roses and other flowers as the deer that we have around our home have come to enjoy them as part of their daily diet.

Our mission hosting this month was quite interesting as two separate schools who had not seen each other except on a Zoom meeting, came together to carry out their mission requirements for graduation now in May and what a powerful ministry it was. One evening as the Team had finished their schedule for the day, some of the members stayed in the meeting room to pray and during their prayer time the Holy Spirit ministered and proclaimed that we are to see ourselves as “The End Times Harvesters”. This was shared with the entire Team the next day and it was like a lighting of a Holy Spirit fire in each one of us.

On Saturday the Team ministered with Pastor David & Cheryl in their ministry- Meet Me at The Bridge. It was a day of rejoicing and ministry for the Team. For many of the Team members it was their first time ministering to homeless people but that did not deter them what so ever. The next day was Easter Sunday and we had a Sun Rise service at the same bridge.

It was powerful! Later that day we held Easter services at two senior assisted living facilities. God showed up and I don't know who was more blessed, the residents or the team!

The Team

The Team ministering at the Sunrise service Under the Bridge, and the senior care center (see below)

Ministry began even before the Team left the hotel for their first event. (above) This gentleman saw the Team having breakfast and followed them to the meeting room to ask for prayer for his father who was on the burn ward of UNC Memorial.

They ministered at the bridge during praise & worship, preached the Word and prayed for the needs of the people. (see below)
