

Greetings Family & Friends,

Well, without a doubt the “Heat” of summer is upon us and we hope that all of you are finding creative ways to cool off. God has chosen to use us to manifest his living presence to the people on this earth much like he used Jesus when he lived on the earth. In this month’s message, Suzan encourages us to **“Be Ready”** for at any given moment God could use any one of us to reach someone that is lost or to be a light to someone surrounded by darkness. One of my Greek friends use to say, “God is a genius”. He finds creative ways to use all of us to do his work. We trust that this message will inspire you and bless you in your everyday walk with the Lord.

We finished up our ministry trip to Colombia on June 13th but not before doing a Grace Awakening Conference at Pastor William » Claro’s church and seeing the power of God by the Holy Spirit minister to the people. Many who attended, came up to us (*Pastor William Claro & Wife Erika*) afterwards expressing to us the liberty they had received by the word of God that was taught and the now understanding of Gods word that was revealed to them.

It was a great blessing to see some of our close friends in Bogota and to meet new ones as well, after this pandemic. (*Suzan teaching in seminar-Left. Below close friends in Bogota*)

Be Ready

When Jesus was standing before Pilate right before he was crucified, he said, “My kingdom is not of this world.”(John 18:36) He did not come to set up his kingdom on earth. He came to set up his kingdom within the imagination of our hearts. (Luke 17:20-21)

As Jesus continued his conversation with Pilate in John 18:37, he said that he was born into this world to bear witness of the truth because it is the truth that sets people free.

I have glorified thee on the earth: I have finished the work which thou gave me to do. John 17:4

Jesus came to reveal his father to the world. He took advantage of every Holy Spirit initiated moment! When people saw him, they saw the father.

Christian Seeking Identity

Jesus is no longer in this world, but we are and he has passed us his baton!

They are not of the world, even as I am not of the world. Sanctify them through thy truth: thy word is truth. As thou hast sent me into the world, even so have I also sent them into the world. John 17:16-18

We were born to glorify the Father; to bear witness of his presence that has taken up residence within us. Therefore, be ye also ready: for in such an hour as ye think not the Son of man cometh. Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season? Matthew 24:44-45

Be ready! This is the age of grace. The kingdom is at hand! The Holy Spirit is with us. At any given moment, God could use us to manifest his love and compassion to someone in this world. The whole world is waiting for the manifestation of the sons of God. Romans 8:19

Because [only then] the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. Romans 8:21 [brackets mine]

Let us ALL Be Ready to be used of the Lord !

News From Egypt

Just returning from our last trip to Jakarta Indonesia four years ago, the Lord spoke to my heart regarding ministering to the Muslim people. Three years ago, a fellow Charis Bible College graduate, approached us and asked if she could be part of our ministry. She explained to us that the Lord was directing her to return to Egypt, where she was originally from, to minister to her people there. After praying and seeking the Lord, we felt like this was the hand of God opening the door of opportunity that we had been waiting for. She has been working in Egypt for three years and God is moving in Egypt with signs, wonders, and miracles.

One testimony that she shared with us was about her traveling to the small town of Asuit to minister. God gave her a word of knowledge about a woman being healed of a severe headache and another about someone being healed of a broken bone that did not heal correctly. The woman with the headache came forward and was healed, but no one acknowledged the broken bone and she thought maybe she “missed it!” Two weeks later she was in Cairo and a lady made an appointment to meet with her. She told of the severe abuse that she lived with at her husband’s hand. He broke her arm and refused to let her receive the medical attention that she needed so the bone did not set correctly. She could not stretch her arm out in front of her. It turned out that this lady, of all places, was from Asuit. She lay hands on the woman’s arm and as she prayed, she felt a popping, twisting and jerking. Within seconds the lady could hold her arm straight out in front of her. She prayed for another person scheduled for surgery who had a heart blockage and the doctors confirmed that blockage dissolved itself. God is doing great things in Egypt!
