Our Lithuania Ministry Trip

Greetings Family & Friends,
The second week in July, Mickey and I traveled to The European country of Lithuania to minister at a week-long camp meeting sponsored by Andrew Wommack Ministries. We were teamed up with Mike and Carrie Picket (Vice Presidents of Charis Bible College and International Operations of Andrew Wommack Ministries) and Lukasz and Ella Buchnajzer (Charis Bible College Directors in Poland). The theme of the conference was centered around developing healthy foundational spiritual truths that ultimately lead to experiencing the fulness of God. It is impossible to live a successful Life in Christ without being rooted and grounded in his love. Every other foundational principal flow out of that. That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man; That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, May be able to comprehend with all saints what *is* the breadth, and length, and depth, and height; And to know the love

of Christ, which passeth knowledge, that ye might be filled with all the fulness of God. Ephesians 3:16-19 Aside from the teaching of God's word and seeing people receive different revelations from His Word one memorable moment was spending time with a man who was suffering from a deep depression which he had for several months and had contemplated suicide several times. After praying with him I left his room because I had to return to the meeting to teach. I did not see him until after lunch and when I saw him, his countenance was totally different and he was saying, "Now I understand, I am forgiven, I am free". Jesus had set him free and he was telling everyone and testifying of what God had done. I was Blessed by God and the scripture from 3 John 1:4 came to my heart, "I have no greater joy than to hear that my children walk in truth."

Our Egypt Ministry Trip

After spending 10 days in Lithuania, we traveled to Egypt. We spent one week ministering in the Nile River farming communities and one week ministering in Cairo. Things were quite different there. All of the churches we visited, with the exception of one, seemed to have the same thing in common. They did not have a real grasp of the Word. The pastors were

preaching messages that were based on religious rituals and traditions of men mixed with both New Covenant

and Old Covenant principles. We found ourselves ministering mostly on the love of God and healing because those were the things that everyone was drawn to. We met some wonderful people and had some great services, but ultimately, we realized that nothing we said would produce any lasting fruit unless change began within the leadership.

The highlight of our trip was the time that we spent between the services ministering to the three pastors that we were traveling with us, and how excited they became as they began to get glimpses of the kind of truth that sets men free.

Is not My word like fire [*that consumes all that cannot endure the test*]? says the Lord, and like a hammer that breaks in pieces the rock [*of most stubborn resistance*]? Amplified Bible Jeremiah 23:29

Thank You for making it possible for us to do what we do. We love you!

God Bless You!
Your friends,
Mickey and
