

Christian Seeking Identity

A Ministry of Alpha & Omega International Ministries

September 2020.

Greetings Family & Friends,

Labor Day has come and gone and left us in the South with a feeling that Fall is around the corner, and we are thrilled because this has been an especially long, hot, wet and humid summer! Things have not fit into a normal pattern anywhere! California and the Northwest has been unusually hot and dry and the fires are burning! Looking at the national weather forecast, we see that the temperature in the Rocky Mountains is expected to plummet from the exceptionally hot 95-degree weather to freezing snow within 24 hours. The weather is not the only thing that is crazy! It seems like everything that we associate with as normal in 2020 has flip-flopped! This is a time that we need to seek the face of God and His unchanging Word. In this month's newsletter Suzan points out that the only sure way to deal with all of the chaos that 2020 has thrown in our path is to fix our eyes on our savior because there are no answers apart from Him. We hope that you will be encouraged and blessed by this month's teaching.

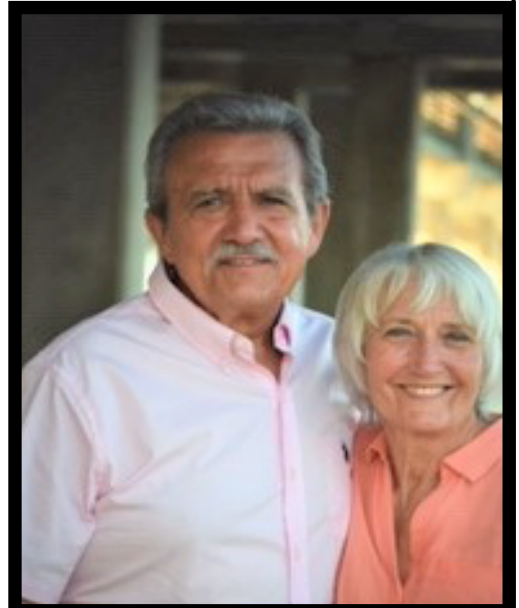

In this past month we continued our weekly Zoom meetings with Machala, Ecuador and ministered, also via Zoom, to a CBC Argentina initiated seminar which included participants from Chile, Bolivia and Brazil, and also did a radio broadcast from Buenos Aires hosted by one of the CBC Argentina's alumni. We were honored to be featured as this month's "Destiny Story" on the AWTI Webb site. We invite you to check it out.

Suzan and I would like to say Thank You for all of your faithful prayers and support. As we look to God and what He has in store for us in the months to follow.

God Bless you!

Your friends.

Mickey & Suzan

Seek His Face

It is time to "seek God's face" because things in this world have gone too far for anyone to humanly fix! Last year God spoke to me and said, 2020 is going to be a great year because my people are going to come to the end of themselves.

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. (2 Chronicles 7:14)

We keep going back to 'turning from our wicked ways' and confessing our sins thinking the answer will come when we finally get our act together and say we are sorry enough times. We keep focusing on all of the people on the ungodly left side of the spectrum in this world desperately trying to convict them of their sins believing that if enough of them join our 'We are Sorry Choir,' that things will magically straighten up! But we are missing the most important point. God is waiting for us to seek His face!

Recently I had an aha moment concerning the principle behind confessing our sins. Confessing our

sins is not for God's benefit so that we can convince Him we are sorry! Confessing our sins is for our benefit! It is so that we can get the load off of our chest that makes us feel guilty when we realize that we are too weak to do anything about the issues we are facing! It is to remind us that in the midst of our weakness we have a savior that is waiting for us to run to him. We have developed the same problem that the Jews in Jesus' day had! They never quite came to the end of themselves. They had a hard time getting their eyes off of themselves and what they had to do in order to satisfy the needs of 'an angry god.' They could not seem to spit out the words "Unless the Lord build the house we labor in vain."

That is exactly what everything in this world is coming down to once again. All God is waiting for is for us to do is to admit that we can't do what needs to be done and confess our need for Him to be our savior!

We need a miracle God and our eyes are fixed on you! Without you we don't have the remotest chance of fixing anything.

For those of us living in the United States in the midst of the political turmoil that is threatening our way of life, it is not just about voting the right man in for president because it is more complicated than that. United we stand; divided we fall. Even if the 'best man' wins, without God's help he does not have the power to bring everyone together on the same page in order for him to accomplish the good things that he has promised to accomplish. There is only one way to overcome the opposition that is rising up against us. We have to covenant together to seek the FACE of GOD!

It is time to set our course of action and take a stand!

"If, when evil cometh upon us, as the sword, judgment, or pestilence, or famine, we stand before this house, and in thy presence, (for thy name is in this house, and cry unto thee in our affliction, then thou wilt hear and help)...we have no might against this great company that cometh against us; neither know we what to do: but our eyes are upon thee. Ye shall not need to fight in this battle: set yourselves, stand ye still, and see the salvation of the LORD with you...." (2 Chronicles 20:9,12,17)

*Let us Seek His Face and be led
by His Holy Spirit. There is no other way to
resolve the unrest that is facing the world today.*
